

Identifying Evaluation Partners

Potential Partners	
Who is affected by the violence prevention plan?	
Who is involved in implementing the specific approaches within the violence prevention plan?	
Who will use the evaluation results?	

Which key stakeholders, from the list above, can assist with the following?			
Increase credibility of our evaluation	Implement the approaches that are central to this plan	Implement changes to incorporate the evaluation findings	Fund the continuation or expansion of resources

This tool was adapted from CDC Office of Strategy and Innovation's Identifying Key Stakeholders in Introduction to Program Evaluation for Public Health Programs: A Self Study Guide <https://www.cdc.gov/eval/guide/cdcevalmanual.pdf>
